LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills or Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Refuse)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13

(6), in the same manner and time period as described above.

Canz Developments Ltd., of 5785 Beatrice Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge refuse from Mineral Recovery, Hedley tailings pile, located at Hedley, and gives notice of application to all persons affected.

The refuse-disposal site shall be located at present tailings pile, south and east of the townsite, on District Lot 2900, south and east of the Kootenay Substation, SDYD, which is approximately 23 miles from Princeton on main Highway 3 to Keremeos.

The type of refuse to be discharged shall be tailings already on site and only tailings from the old Nickel Plate Mine.

The quantity of refuse to be discharged shall be as follows: Average daily discharge (based on operating period), 24-hour-day, 3,000 tons a day.

The operating period during which the refuse will be discharged shall be approximately eight hours a day, 350 days a year.

The nature or characteristics (in per cent by weight) of the refuse to be discharged is estimated to be made up entirely of the present pile, as follows: Al_2O_3 , 6.7; MGO, 3.0; CAO, 21.6 SiO_2 , 42.2; S, 2.0; FE, 11.6; CU, 0; AS, 2.7.

The type of treatment to be applied to the refuse is cyanide to be denatured (leached tailings will be filtered, then chlorinated to eliminate cyanide; cyanide will be recycled, using the carbon process).

I, James E. Rheaume, Administrator, hereby certify that a copy of this application has been received by the Regional District of Okanagan-Similkameen.

This application, dated on the 29th day of November 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Imperial Oil Limited, of 475 West Georgia Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from 10 hydrocarbon storage tanks and one loading rack at the Bulk Petroleum Agency located at Armstrong, and gives notice of application to all persons affected.

The land upon which the works are located is part of the northwest quarter of Section 13, Township 7, Plan A10614, Lot A, ODYD.

The discharge or emission shall be located at above-described property, which is adjacent to Otter Lake Cross Road.

The rate of discharge is (dry basis):
(a) Maximum, 35 SCFM; duration, three hours a day; frequency, twice daily.
(b) Average daily (based on normal daily operating period), 3.4 SCFM.

The operating period during which contaminant(s) will be discharged is continuous, 12 hours a day.

The characteristics of the contaminant(s) to be discharged are hydrocarbon vapours expressed as hexane.

The type of treatment to be applied to the contaminant(s) is pressure/vacuum vents on volatile product tanks which are light-coloured to minimize evaporation loss; submerged loading.

I, P. Mackiewicz, Administrator, hereby certify that a copy of this application has been received by the Regional District of North Okanagan.

This application, dated on the 8th day of December 1976, was posted on the ground in accordance with the Pollution Control Regulations.
